### CORPORATE REIMBURSEMENT DEFERRED PAYMENT PLAN POLICY

Students who participate in a corporate reimbursement plan are responsible for the entire tuition and fee charges regardless of their employer reimbursement policy, and these students must:

Students who wish to change their registration status before the semester begins or during the first week of class must complete a Registration Adjustment Form with their academic advisor's signature. The refund policy is stated below.

Special course fees are not refundable. A student dismissed for academic or disciplinary reasons, at any time, shall not be entitled to any claim or credit.

 Through the first week of classes ..... 80%  
 After the first week of classes ..... No Refund

**DELINQUENT ACCOUNTS:**

In such an event, the student shall be liable for the balance due plus any fees of the collection agency, any attorney fees, court costs and all other charges associated with the collection of the debt together with interest at the maximum allowed by law.

No student may receive a diploma or transcript of credits until all financial obligations to the University are settled.

**WITHDRAWALS:**

Students who wish to change their registration status after the first week of class must complete a Withdrawal form or notify, in writing, their academic advisor. There is no refund after withdrawing from a course. An unauthorized withdrawal will result in a final grade of "F." Students must withdraw before the seventh Tuesday of the session. The date is published in the "Academic Calendar" in this schedule. The effective date of the withdrawal will be the date of formal notification to the School of Adult and Continuing Education.

**GRADE REPORTS AND TUITION:**

Grade reports are mailed to the student's permanent address. NO grades will be given over the phone.

**REFUND REQUESTS AND CREDIT BALANCES:**

ACE full-time students whose financial aid awards exceed their tuition and fee charges, generating a credit balance in their accounts, may not be eligible for an immediate refund of the excess balance.

If any of this credit balance is the result of federal or state financial aid grants (Federal Pell Grant, Florida Resident Access Grant or Florida Student Assistance Grant) please note:

- Any refund of these grants to the student cannot be processed until after all applicable add/drop periods have ended.
- Students who are enrolled in both sessions, Session A and Session B, may have access to their credit balances only after the end of the add/drop period of Session B.
- If, after the add/drop period of Session B, the student is still registered as a full-time student (12 credits or more) and continues to meet all other eligibility requirements, a refund may be requested.

Students who have received student loans, have a credit balance, and do not need the excess funds for educational related expenses should consider returning some of the credit balance to the lender to reduce their debt.

**GENERAL INFORMATION****ATTENDANCE POLICY:**

Every class is important, but none more so than the very first class. There is a limited amount of time during our accelerated semester to appropriately cover the subject matter. Coursework begins in earnest at the very first class. Special hints about how to proceed, statements about the biases of the discipline, clues about prioritizing your efforts, insights into the syllabus, grading policies, strategies for earning the grade you want, and much more, are addressed in the first class. These are things that cannot be summarized, will not be reliably conveyed in someone else's notes, and may not be revealed at another time in the course.

**ENROLLMENT WITH OTHER INSTITUTIONS:**

Once enrolled as a degree seeking candidate, a student will not be permitted to take courses at other institutions to apply toward the student's degree unless approved in advance, in writing, by the Associate Dean for Student Affairs.

**REPEAT COURSE:**

With prior written authorization, a student may repeat a course to improve the cumulative grade point average. If a student has an "F" and repeats the course and receives an "A", only the "A" counts. Quality points and credit attempted and earned on the second attempt are counted in place of those earned on the first attempt. Though both attempts remain part of the student's permanent record, the cumulative grade point average will reflect only the grade earned on the second attempt. Policy limits the number of times a course can be repeated.

**CANCELLATION OF COURSE:**

Listings appearing in the schedule are valid at the time of publication. Barry University reserves the right to add, delete, or change without notice any information pertaining to course offerings or locations published in the schedule. Barry University also reserves the right to cancel any class or section thereof, where enrollment is not sufficient. Full refunds are made when a class is canceled.

**AUDIT:**

Students wishing to audit a course must meet admission requirements and will be charged the regular per credit rate.

**COURSE LIMIT:**

The maximum course limit for School of Adult and Continuing Education students is twelve (12) credit hours per regular semester (six in Session A and six in Session B) and six (6) credit hours during the summer semester. To attempt more than the allowed credits in any given session requires the recommendation of an academic advisor and the written approval of the Associate Dean for Academic Affairs.

**MANDATORY ENGLISH WRITING PLACEMENT AND MATHEMATICS SKILLS ASSESSMENT:**

All students seeking a degree through the School of Adult and Continuing Education must take the English Writing Placement. Depending on the placement results, students must complete English 102 (College Writing for the Adult Learner), English 202 (Strategies for College Writing), and/or English 302 (Academic Writing and Research), with a grade of at least "C" beginning in either the first or second semester of enrollment. Each course may only be attempted twice. Additionally the Mathematics Skills Assessment must be taken by students who do not have college-level mathematics transfer credits accepted by Barry University and must be taken during the first semester (Session A and B) at Barry. Please be advised that you may schedule to attend an English and/or a Mathematics Placement date twice without penalty. If you do not attend either of the two placement dates you have scheduled, you will be required to schedule an individual placement date with a fee of \$25.00.

**RESIDENCY REQUIREMENTS:**

The last thirty (30) credits and the majority of the major coursework must be completed at Barry University.

**CHANGE OF PROGRAM:**

To change degree programs within the same school, a request must be made, in writing, to an academic advisor/director.

**INCOMPLETES:**

Only in an emergency situation may a student request an incomplete "I" grade. It is the student's responsibility to arrange with the instructor for satisfactory completion of course requirements. An incomplete grade must be redeemed by the date published in the academic calendar which is the Friday of the eighth week of the next session following its receipt or the student will be automatically awarded a final grade of "F". The "I" grade and the redeemed letter grade both remain a part of the official transcript.

**PROBATION/SUSPENSION:**

1. A student is in good academic standing if the cumulative grade point average (GPA) is 2.0 or above.
2. A student is on probation if the cumulative grade point average falls below 2.0. A student on academic probation may not register for more than six (6) credit hours (three (3) hours per session) and is ineligible to register for a tutorial/independent study course.
3. A student on probation who is unable to earn a cumulative grade point average of 2.0 after having attempted twelve (12) credit hours at Barry University will be suspended permanently from the School of Adult and Continuing Education.

**SEMESTER PAPERS:**

It is the student's responsibility to ensure that instructors receive all coursework directly. Coursework will not be forwarded to any instructor from either the Miami Office or any of the off-campus offices.

**GRADUATION AND APPLICATION FOR DEGREE COMPLETION:**

It is the student's responsibility to ensure that graduation requirements are met prior to application for graduation. Students must apply for graduation prior to the beginning of their final semester of enrollment. Deadlines appear in this schedule. Graduation forms are available from the Miami Office or any off-campus office. Applications are to be completed, signed by an academic advisor or director, and submitted to the Miami Office. A student who receives an incomplete grade "I" during the semester of graduation will not qualify for graduation and must re-apply for the next graduation date. For students who were admitted fall semester, 2002 and thereafter, computer proficiency is a degree requirement. Students admitted fall semester, 2002 and thereafter, who are seeking a Bachelor of Science in Legal Studies degree and a Bachelor of Liberal Studies degree with a specialization in Legal Studies must take the Certified Legal Assistant (CLA) examination prior to submitting an application for degree completion.
