Failure to maintain full-time enrollment status (12 credits) during the full duration of the semester (A and B) may result in the loss of financial aid. In all cases, the student is responsible for full payment of tuition and fees incurred at the time of registration.

GRADUATE STUDENTS must register at least half time (a minimum of 4 credits) each semester to receive financial aid. In order to receive the maximum amount in federal student loans, students must be registered full-time - i.e., 9 credits - during the entire semester and have filed financial aid paperwork. Failure to maintain full-time enrollment status (9 credits) during the full duration of the semester (A and B) may result in the loss of financial aid. In all cases, the student is responsible for full payment of tuition and fees incurred at the time of registration.

SEMESTER PAYMENT:

1. Any balance due from a prior semester must be paid in full before a student may register.
2. Registration MUST be accompanied by a check, money order or credit card number payable to BARRY UNIVERSITY. Credit cards that are accepted are Visa, American Express, and MasterCard.

CORPORATE REIMBURSEMENT DEFERRED PAYMENT PLAN POLICY

Students who participate in a corporate reimbursement plan are responsible for the entire tuition and fee charges regardless of their employer reimbursement policy, and these students must:

1. Present written documentation of employment from their employer at the time of every registration. The documentation should clearly indicate the level of corporate reimbursement (i.e., 50%, 75%, 100%, etc.)
2. Pay in full any difference between the total reimbursable amount and the tuition and fees.
3. Sign a Deferred Payment Plan form accepting responsibility for the entire amount of tuition and fees at the time of registration.
4. New students to Barry University who participate in corporate reimbursement plans are required during their first semester to comply with payment terms applicable to non-reimbursed students as explained in step #3.

TUITION REIMBURSEMENT BY VETERANS ADMINISTRATION:

Registration must be accompanied by payment as outlined in PAYMENT TERMS #2 and #3. It is the student's obligation to pay the University first and then seek reimbursement from the Veterans Administration. To avoid overpayments and/or interruption of benefits, it is absolutely necessary that the student notify the Financial Aid Office of any changes in status.

TUITION ASSISTANCE FOR SERVICE PERSONNEL:

The balance from the student must be paid at the time of registration as outlined in PAYMENT TERMS #2 and #3.

GUARANTEED STUDENT LOAN:

Registration from students with approved student loans will be processed. Students whose loans have not been approved at the time of registration must pay tuition and fees outlined in PAYMENT TERMS #2 and #3.

PELL GRANTS:

Any balance due after the awarding of the Pell Grant allowance must be paid by the student as outlined in PAYMENT TERMS #2 and #3.

HEALTH INSURANCE:

Health Insurance coverage is available for students taking six (6) or more credit hours. The Insurance Fee will be charged at the time of registration, if the student is not covered by a similar health insurance plan. It is the responsibility of the student to make sure insurance has been charged.

DROPPED COURSES:

Students who wish to change their registration status before the semester begins or during the first week of class must complete a Registration Adjustment Form with their academic advisor's signature.

TUITION REFUND POLICY:

Prior to the start of the semester 100%
 Through the first week of classes 80%
 After the first week of classes No Refund

Special course fees are not refundable. A student dismissed for academic or disciplinary reasons, at any time, shall not be entitled to any claim or credit.

DELINQUENT ACCOUNTS:

If a student's account should become delinquent, the account may be referred to a collection agency, attorney, or both. In such an event, the student shall be liable for the balance due plus any fees of the collection agency, any attorney fees, court costs and all other charges associated with the collection of the debt together with interest at the maximum allowed by law. **No student may receive a diploma or transcript of credits until all financial obligations to the University are settled.**

WITHDRAWALS:

Students who wish to change their registration status after the first week of class must complete a Withdrawal form or notify, in writing, their academic advisor. There is no refund after withdrawing from a course.

REFUND REQUESTS AND CREDIT BALANCES:

ACE full-time students whose financial aid awards exceed their tuition and fee charges, generating a credit balance in their accounts, will receive a check or direct deposit for the excess funds after the drop/add period. Students may sign up for direct deposit through WebAdvisor at <http://webadvisor.barry.edu>.

If any of the credit balance is the result of federal or state financial aid grants (Federal Pell Grant, Florida Resident Access Grant or Florida Student Assistance Grant) please note:

- Any refund of these grants to the student cannot be processed until after all applicable add/drop periods have ended.
- Students who are enrolled in both sessions, Session A and Session B, may have access to their credit balances only after the end of the add/drop period of Session B.
- If, after the add/drop period of Session B, the student is still registered as a full-time student (12 credits or more) and continues to meet all other eligibility requirements, a refund will be generated.

Students may use their refund for off-campus living expenses, indirect expenses, or any other education expenses for the term including Portfolio submission and licensure credits. Once the excess funds are awarded it is the student's responsibility to retain the funds needed to pay for additional tuition and fees. Students who have received student loans, have a credit balance, and do not need the excess funds for educational related expenses should consider returning some of the credit balance to the lender to reduce their debt.

GENERAL INFORMATION**ACADEMIC ADVISORS:**

ACE endeavors to achieve quality academic advisement and provides each student with an Academic Advisor who assists the student in attaining their educational goals and fulfilling Barry University requirements. Academic Advisors aid students in defining educational goals, selecting a program of study, applying to the University, selecting appropriate coursework, interpreting institutional requirements, assisting with the portfolio process, referring students to appropriate institutional services and resources and provide continuous evaluating of student's progress. Academic Advisors are available at ALL locations. **While Barry University provides academic advising, the responsibility for planning individual programs rests with the students. Students are expected to become familiar with the requirements of the University, the School of Adult and Continuing Education, and their major disciplines.**

ACADEMIC DISHONESTY:

Students are responsible for knowing the policies regarding cheating and plagiarism and the penalties for such behavior. Information can be found in the ACE Bulletin and Barry University's Student Handbook. Failure of an individual faculty member to remind the student as to what constitutes cheating and plagiarism does not relieve the student of this responsibility.

ADD/DROP:

After registration, any changes in schedule (adding/dropping, or changing a section of a class) must be authorized by the student's academic advisor/director. The date is published in the "Academic Calendar" in this schedule.

ATTENDANCE POLICY:

Every class is important, but none more so than the very first class. There is a limited amount of time during our accelerated semester to appropriately cover the subject matter. Coursework begins in earnest at the very first class. Special hints about how to proceed, statements about the biases of the discipline, clues about prioritizing your efforts, insights into the syllabus, grading policies, strategies for earning the grade you want, and much more, are addressed in the first class. These are things that cannot be summarized, will not be reliably conveyed in someone else's notes, and may not be revealed at another time in the course.

AUDIT:

Students wishing to audit a course must meet admission requirements and will be charged the regular per credit rate.

BARRY E-MAIL SYSTEM:

Barry e-mail is an official method of communication at the University. The University may send communication to students via Barry e-mail. Students are responsible for the consequences of not reading, in a timely fashion, University related communications sent to their official Barry University Student e-mail account. Students are expected to check their Barry University official e-mail on a frequent and consistent basis in order to remain informed of University related communications. E-Mail can be accessed by visiting <http://webmail.barry.edu>.

CANCELLATION OF COURSE:

Listings appearing in the schedule are valid at the time of publication. Barry University reserves the right to add, delete, or change without notice any information pertaining to course offerings or locations published in the schedule. Barry University also reserves the right to cancel any class or section thereof, where enrollment is not sufficient. Full refunds are made when a class is canceled.

CHANGE OF PROGRAM:

To change degree programs within the same school, a request must be made, in writing, to an academic advisor/director.

CHANGE OF NAME/ADDRESS/PHONE:

It is the student's responsibility to promptly notify the Office of the Registrar and his/her academic advisor of a legal name change, an address change, and/or a telephone number change. Photo ID is required for in-person requests. E-mailed requests should be sent from the student's Barry e-mail account to registrar@mail.barry.edu. Notification of a name change must be accompanied by a photocopy of appropriate legal documents. Acceptable legal documentation is a marriage license, divorce decree or court order. No other documentation is acceptable.

COURSE LIMIT:

The maximum course limit for School of Adult and Continuing Education students is twelve (12) credit hours per regular semester (six in Session A and six in Session B) and six (6) credit hours during the summer semester. Students who wish to attempt more than the allowed credits in any given session requires the recommendation of an academic advisor and the written approval of the Associate Dean for Academic Affairs.

ENROLLMENT WITH OTHER INSTITUTIONS:

Once enrolled as a degree seeking candidate, a student will not be permitted to take courses at other institutions to apply toward the student's degree unless approved in advance, in writing, by the Associate Dean for Student Affairs.

GRADE REPORTS:

Students may access their grades through WebAdvisor. NO grades will be given over the phone.

GRADUATION AND APPLICATION FOR DEGREE COMPLETION:

It is the student's responsibility to ensure that graduation requirements are met prior to application for graduation. Students must apply for graduation prior to the beginning of their final semester of enrollment. Deadlines appear in this schedule. **Graduation registration is available thru WebAdvisor at <https://webadvisor.barry.edu> under Academic Planning. Before you can register for graduation your academic advisor will need to approve your registration, once approved you can register via WebAdvisor.** A student who receives an incomplete grade "I" during the semester of graduation will not qualify for graduation and must re-apply for the next graduation date. For students who were admitted fall semester, 2002 and thereafter, computer proficiency is a degree requirement. Students admitted fall semester, 2002 and thereafter, who are seeking a Bachelor of Science in Legal Studies degree and a Bachelor of Liberal Studies degree with a specialization in Legal Studies must take the Certified Legal Assistant (CLA) examination prior to **completing your online application for degree completion.**

GRADUATION CEREMONY:

The commencement ceremony for Barry University will be held on Saturday, December 15, 2012. Students who have completed their degree programs are eligible to participate. **See Page 1 of the Student Resource Guide.** See the director or academic advisor at your site for information on cap and gown orders and local celebration information.

GRADUATING WITH HONORS:

In order to qualify for graduation with distinction, a student must have taken a minimum of 56 credit hours at Barry University carrying letter grades of "A", "B", "C", or "D" and must have maintained a grade point average of 3.5 or above. This does not include transfer credits from other schools, Portfolio credits, CLEP, test-out credits or courses graded credit/no-credit. Only courses taken at Barry are computed in determining honors. The GPA will be rounded to the third decimal place.

INCOMPLETES:

Only in an emergency situation may a student request an incomplete "I" grade. It is the student's responsibility to arrange with the instructor for satisfactory completion of course requirements. An incomplete grade must be redeemed by the date published in the academic calendar which is the Friday of the eighth week of the next session following its receipt or the student will be automatically awarded a final grade of "F". The "I" grade and the redeemed letter grade both remain a part of the official transcript.

PROBATION/SUSPENSION:

1. A student is in good academic standing if the cumulative grade point average (GPA) is 2.0 or above.
2. A student is on probation if the cumulative grade point average falls below 2.0. A student on academic probation may not register for more than six (6) credit hours (three (3) hours per session) and is ineligible to register for a tutorial/independent study course.
3. A student on probation who is unable to earn a cumulative grade point average of 2.0 after having attempted twelve (12) credit hours at Barry University will be suspended permanently from the School of Adult and Continuing Education.

REPEAT COURSE:

With prior written authorization, a student may repeat a course to improve the cumulative grade point average. If a student has an "F" and repeats the course and receives an "A", only the "A" counts. Quality points and credit attempted and earned on the second attempt are counted in place of those earned on the first attempt. Though both attempts remain part of the student's permanent record, the cumulative grade point average will reflect only the grade earned on the second attempt. Policy limits the number of times a course can be repeated.

REQUIREMENTS FOR THE BACCALAUREATE PROGRAMS:

Students must satisfactorily complete a minimum of 120 credits with an average of 2.00 (C). Of the total, a minimum of 48 credits must be in course numbered above 299. Grades of "C" must be earned in coursework for the major, pre-requisites, the specialization and the English writing courses (ENG 102, 202 & 302).

RESIDENCY REQUIREMENTS:

The last thirty (30) credits and the majority of the major coursework must be completed at Barry University.

SEMESTER PAPERS:

It is the student's responsibility to ensure that instructors receive all coursework directly. Coursework will not be forwarded to any instructor from either the Miami Office or any of the off-campus offices.

TRANSFER CREDITS:

Refer to the ACE Bulletin for Transfer Credit Policies.

WITHDRAWALS:

Students who wish to change their registration status after the first week of class must complete a Withdrawal form or notify, in writing, their academic advisor. The date is published in the "Academic Calendar" in this schedule. The effective date of the withdrawal will be the date of formal notification to the School of Adult and Continuing Education. An unauthorized withdrawal will result in a final grade of "F." Students must withdraw before the seventh Tuesday of the session. The date is published in the "Academic Calendar" in this schedule. The effective date of the withdrawal will be the date of formal notification to the School of Adult and Continuing Education.

Please note that Schedule Adjustments (Adding and/or Deleting Courses) are not yet an option via On-Line registration.

*Note: Students can register ONLY for those courses for which they have received written approval from their advisor. If a student registers for coursework not authorized by the advisor, he/she is responsible for the incorrect course selection.
