## Buccaneers Finish Sears Directors' Cup With Highest Point Total Ever #1 Private Institution in NCAA Division II

2001-02 Sears Cup Points		
Sport	Points	National Finish
Volleyball	100	1st
Women's Golf	90	2nd
Women's Tennis	80	3rd
Rowing	60	4th
Softball	60	T-5th
Women's Soccer	30	T-9th
Men's Tennis	30	T-17th

Barry's Sears Cup Points		
Year	Points	National Finish
1995-96	299.0	18th
1996-97	277.5	30th
1997-98	330.0	T-3rd
1998-99	170.0	21st
1999-00	190.0	50th
2000-01	355.0	19th
2001-02	450.0	11th

MIAMI SHORES, Fla.--The Barry Buccaneers topped their best point total in the Sears Directors' Cup competition for the second straight year in 2001-02.

The Bucs had seven teams advance to NCAA Division II post-season play this year, with five of them advancing on to the final round of championship play, amassing 450 points and topping last year's record total of 355 by 95 points.

The Bucs finished 11<sup>th</sup> overall in the Sears Cup race this season out of 264 eligible institutions in NCAA Division II.

The volleyball team was the top producer with 100 points for winning the 2001 national championship.

The women's golf team, led by 61-year-old Judy Street, earned 90 points with a second-place finish.

Coming in third for the second year in a row garnered 80 points for the women's tennis team.

The women's rowing team brought home 60 points with their fourth-place finish at the first-ever NCAA Division II national championship for their sport.

The softball team also collected 60 points by finishing tied for fifth at the national championship tournament.

Women's soccer and men's tennis each brought in 30 points by reaching the regional final in their respective tournaments.

### NATIONAL CHAMPIONS! Volleyball Team Wins 2<sup>ND</sup> National Title

You can sum up the 2001 Barry volleyball season in 2 words: national championship.

After battling through the 2000 season with a depleted bench, coach Dave Nichols was determined not to repeat that process this year. Hitting the recruiting trail hard, Nichols brought in a class he felt would be outstanding, but what he got exceeded even his expectations.

Starting the season ranked 14<sup>th</sup>, the Buccaneers jumped out of the gate by winning their first six matches, including a dominating performance at the Barry Invitational, the first home opener in seven years. Thanks to the experience of seniors **Meghan Clarke, Jessica Jung, Brooke Pinney** and **Trish Stanton**, the Buccaneers were focused for a title run from the opening match.

The Bucs were tested early in the season, with six of their first 12 matches against eventual playoff teams. They responded with a 10-2 record, stumbling against only #2-ranked West Texas A&M and three-time conference champions Tampa.

If there was one moment where the team first began to believe in a national title, it came against North Florida in the Lady Moc Invitational. Down two games to none, the Bucs battled back for a thrilling five-game win and they never looked back, reeling off 22 straight wins on their way to the title.

On November 3, the Bucs squared off in a rematch with the Tampa Spartans with the conference title on the line. In a grueling five game match, the Buccaneers knocked off the Spartans for the first time in three seasons and snapped Tampa's 36-match conference win streak.

With the conference title in the bag, the Bucs next set their site on the regional. After cruising past North Florida in the semi-finals, Barry found a familiar foe in the final: the Tampa Spartans. In

The Buccaneers celebrate their 2001 NCAA Division II national championship led by seniors (kneeling L-R) **Brooke Pinney, Trish Stanton** and **Jessica Jung**. Barry defeated South Dakota State 30-19, 30-21 30-25 in the title match.

perhaps the toughest match of the season, the Buccaneers prevailed in five tense games to advance to the elite eight.

Riding the emotions of their regional championship, Barry simply outclassed

the competition at the national tournament, losing only one game in three matches.

The opening round pitted the Bucs against Western State of Colorado, who had knocked off West Texas A&M in the regional. **Daniela Lanza** directed the attack with 53 assists and four Bucs tallied double-figure kills, led by **Karla Bersano** with 22 as Barry won 3-1.

In the semi-finals, Barry caught UC-San Diego out of the always tough Far West Region. The Tritons battled, but the Bucs were simply too powerful, too poised as they carried away a 3-0 win. **Bersano** again led the way with 18 kills and **Lanza's** setting guided Barry to a .324 hitting percentage.

With one match left for a national title, the Bucs squared off with South Dakota State. The Jackrabbits were led by AVCA national player of the year Shauna Sturm, but it was Barry's **Simone Ferrarezi** who was the player of the match. Ferrarezi powered the Bucs with 21 kills, nearly twice as many as Sturm, and **Bersano** added 18 again as Barry stormed through the match winning 30-19, 30-21 and 30-25. The Buccaneers' dominance in the tournament was

rewarded as the entire Brazilian quartet (**Bersano, Lanza, Ferrarezi** and **Fernanda Ferreira**) were each named to the All-Tournament Team.

The Buccaneers' success as a team led to many individual awards as well. **Bersano** earned the highest award, earning first-team Daktronics All-American and second team *Volleyball Monthly*. **Ferreira** was recognized three times, earning third-team Daktronics, second-team AVCA and first-team *Volleyball Monthly*. Coach **Dave Nichols** earned a pair of coach of the year awards, from the Sunshine State Conference and from the AVCA south region.

With a national championship in the bag and the "Brazilian Quad Squad" back for another run in 2002, the future is very bright for Buccaneer volleyball.

## Covone Joins Management Council

Barry University Director of Athletics

**Michael L. Covone** was

appointed to the Division II Management Council as the representative of the Sunshine State

Conference. The Management Council, which is one of the two governing groups of NCAA Division II, consists of 25 athletic administrators and faculty athletic representatives from the member conferences. The council operates under the Presidents Council to address issues relating specifically to Division II.

Covone is an 18-year veteran at Barry. As the first women's soccer coach at the institution, he led the Buccaneers to national prominence, advancing to the national finals six times in 11 seasons and winning three national titles. His .798 winning percentage is still the best in Division II.

Since 1998, he has been the director of athletics of one of the most successful Division II programs in the nation. The Buccaneers have finished in the top 20 percent in the Sears Directors Cup competition for the past six years, including a third-place finish in 1998.

## Buccaneers Win Mayor's Cup

Barry University won the women's division of the Sunshine State Conference Mayor's Cup for all-sports competition in the 2001-2002 academic year. The award is sponsored by the mayors of the eight communities in which SSC schools are located.

Barry earned SSC titles in soccer, tennis and softball, shared the conference championship in volleyball, and finished second in rowing. The Buccaneers earned 39.5 points, followed by Rollins (31), Tampa (29.5), Lynn (23), Florida Southern (22.5), Eckerd (19.5), Florida Tech (17) and Saint Leo (13).

It was the second women's Cup win for the Buccaneers in the last three years and the fourth overall. Since the Bucs joined the SSC in 1988-89, the Bucs' four Cups are the second most in the conference, behind Florida Southern's five.

## Buccaneer Hurler Named Sunshine State Conference Female Athlete of the Year

ORLANDO, Fla. — Barry University softball player GERALYN ELAM capped off one of the most dominant seasons in Sunshine State Conference competition, as she was named SSC Female Athlete of the Year by Commissioner Don Landry.

Elam was the leader of a Buccaneer squad which posted a 44-15 overall record, earned the school's first-ever outright and third overall SSC softball championship, captured the South Region Championship and made the school's third trip to the NCAA Division II National Tournament.

A junior marketing major from Marlow, Oklahoma, Elam tied for the league lead with an SSC-record 32 wins (against just six losses) and set new SSC records with a microscopic 0.28 ERA, 406 strikeouts (in 271.2 innings) and 20 shutouts.

Elam's numbers not only raised the bar for SSC pitchers in the future, but earned her a place in the NCAA and Barry record books. Elam became the first pitcher in history to toss two perfect games in the same NCAA Division II Tournament, opening regional play with back-to-back perfect games. She also became the sixth Division II pitcher to

record over 400 strikeouts in a single season, ranking fifth all-time. Elam posted 22 games with ten or more strikeouts, including 19-, 18- and 17-strikeout performances. Her string of 53 consecutive scoreless innings and seven consecutive shutouts set new school records.

**GERALYN ELAM tossed back-to-back perfect games in the NCAA Regional**

Highly decorated for her 2002 performance, Elam's SSC Female Athlete of the Year Award is the latest in a long line of honors she has received. Previously named the Honda-Broderick NCAA Division II Softball Player of the Year, Elam was also named First Team All-America by the National Fastpitch Coaches Association, SSC Pitcher of the Year and First Team All-SSC. She was also named SSC Pitcher of the Week eight times winning the most weekly awards for any SSC athlete this year and was the SSC's Female Athlete of the month for March.

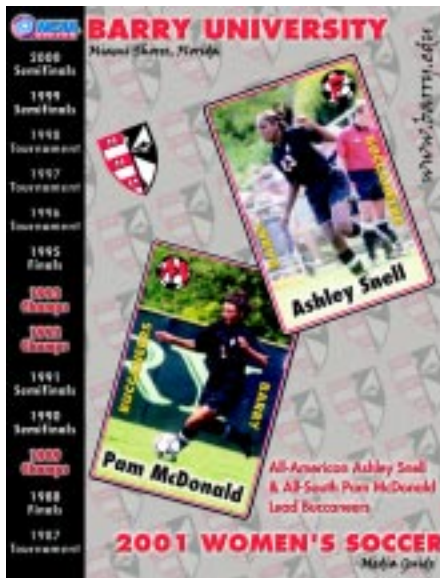

Elam becomes the fourth Barry woman to be honored as SSC Athlete of the Year. She also becomes the sixth softball player to be recognized as SSC Athlete of the Year, the most of any of the 14 SSC-sponsored sports, male or female.

## Women's Soccer Media Guide Judged Best In Nation

The 2001 Barry University women's soccer media guide was judged best in nation in Division B by the Publications Committee of the College Sports Information Directors Association (CoSIDA). Division B consists of all NCAA Division II and NAIA schools (over 400 schools) in the country.

It was the third year in a row that the Bucs' book was recognized as the nation's best.

The sports information department also placed fourth in volleyball and men's soccer and fifth in women's basketball in Division B.

## SSC COMMISSIONER'S SPRING HONOR ROLL

To be eligible for the Commissioner's Honor Roll, a student-athlete must have a 3.20 grade point average or better on a 4.0\* scale for the semester.

## STREET, AT 61, STILL HAS GAME

Back in the foothills of Old Hickory, Tenn., a young toddler by the name of Judy Eller took her first step while with her dad (an avid golfer) on a putting green at a local course. That was the beginning of a fruitful career of the rising talent.

With little mischief to get into as a child, Eller and her sister began spending several hours on the course playing

together as youngsters. As time went on, Eller become very competitive and at her fathers' suggestion played in her first city tournament at the age of nine.

In her first tournament, the nine-year-old lost the first flight 4-3 and ended up facing a big challenge in the consolation round facing off with her aunt. However, the young Eller rose to the occasion as she went on to defeat her aunt.

Four years later at the age of 13, Eller won her first city championship. That victory was one of the keys to Eller's wanting to continue playing as an amateur.

As time went on, Eller would spend her summers on the golf course and winters in the gym playing basketball.

When she turned 15, Eller won the Tennessee State Amateur Championship, but realized that if she was going to be good she had to do more and work harder. The next year while defending her previous year's title, she faced off with one of her mentors, Betty Probasco, and won.

It was then she realized she could really play golf. Moving on to the national juniors competition, Eller won back-to-back USGA Junior Championships in 1957 and 1958. At that time, it was a feat no one had ever accomplished before.

Eller returned to compete in the Tennessee State Amateur tournament winning for a fifth time at the age of 18, another feat no one had ever done before.

After reaching 18 and graduating from high school, Eller went on to pursue a career in collegiate golf. She received a golf scholarship to play at the University of Miami (Florida). In 1959 as a freshman in college, Judy won the Collegiate Championships that were held at UNC-Chapel Hill defeating Jo Ann Carner on a second playoff hole for the championship.

*Street cont. on page 5*

## NEW SEASON CRANKS UP IN LATE AUGUST

The 2002-03 athletic season gets going on August 30-31 as the defending national volleyball champion Buccaneers host BYU-Hawai'i and Mercy in the Buccaneer Invitational Tournament. The Bucs also play an exhibition with the Sharks of Miami-Dade Community College. With four starters and six players off last year's 32-2 national champion squad back for another run, the Bucs look to continue their dominance on the court.

The women's soccer team opens its quest to extend their own record of 14 NCAA Tournament appearances at home against West Florida on September 1. The Bucs dropped a regular season match 2-1 to the Argonauts last year, but avenged it with a 4-0 win in the first round of the NCAA Division II Tournament. The Bucs have 10 players, including eight starters, back from last year's Sunshine State Conference champions.

The men's soccer team opens on the road in Alabama, but returns home for a match with cross-town rival St. Thomas on September 5. The Bucs are seeking a return trip to the NCAA Tournament, where they finished second in 2000. There are 15 returners, including eight starters, back from last year's 14-1-3 team which set a school record for winning percentage.

# Buccaneers Honor 2001-02 Award Winners

The Barry University Athletic Department celebrated its 18th annual Sports Awards Banquet Monday, April 22 at the Signature Grand in Fort Lauderdale. Awards were presented to athletes from every sport and the volleyball team received their championship rings.

Senior soccer player **Jacobi Goodfellow** was named the Male Athlete-of-the-Year and sophomore volleyball player **Karla Bersano** was named the Female Athlete-of-the-Year.

**Goodfellow** led the Buccaneers to a school-record .861 winning percentage (14-1-3), earning third-team NSCAA All-America honors. He led a defense which limited

opponents to a 0.74 goals against average, second-lowest total in school history, and eight shutouts, third best total in school history. He was chosen to participate in the Umbro Select Tournament in February and was drafted by Hampton Roads of the "A" league.

**Bersano** led the Buccaneers to the 2002 National Championship, leading the team with 458 kills and fourth on the team in hitting percentage (.287). She also led team in service aces (45) and digs (341).

She was named SSC Player of the Week once, First-Team All-SSC, First-Team All-South Region, First-Team Daktronics All-American, Second-Team Volleyball Monthly All-American. She earned spots on the All-South Region Tournament Team and the All-National Tournament Team.

*Street cont. from page 4*

The next year, Judy's talent had continued to improve and she received an invitation to become a member of the 1960 Curtis Cup team. She happily accepted the invitation to play in

Tennis swept the Scholar-Athlete-of-the-Year, with **Erik Holubec** winning for the men and **Victoria Courmes** taking the women's award.

**Holubec** is a senior member of the men's tennis team. He has assisted his peers by serving as a learning center tutor in accounting for the past two years. His academic

work has placed him on the dean's list twice and on the athletic director's honor roll once. A high level of motivation in the demanding field of accounting led him to a very successful internship in New York City over the past summer. The co-captain for the past two years, he helped make it possible, especially in doubles play, for the Bucs to qualify for NCAA tournament play for the past three years.

**Courmes** is one of the top scholars at Barry. In six semesters, her outstanding GPA has placed her on the president's list for five semesters and the dean's list for one

semester. She has been a stalwart on the women's tennis team for the past three years. Her overall record includes an 19-3 in singles this spring, SSC player of the week three times; All-SSC three years running, and including this season she is six-time ITA singles and doubles All-American.

England so she took time off from school to practice. With no one expecting much of the American Curtis Cup team, Eller helped lead her team to a victory over Great Britain.

Not long after returning home, Eller met her husband to be Gordon Street. So, in the fall of 1961 she became Judy Eller Street. Even though married and on the verge of starting a family, Street continued playing. While she was pregnant with her first child, she won her sixth Tennessee State Amateur Championship. She went on to win once more for seven Tennessee State Amateur titles throughout her career.

In 1970, while pregnant with her fourth child, Judy decided to hang up the shoes and put away the irons and

stopped playing the amateur circuit for 23 years. Finally in the mid 1990's, she reunited with some former members of the 1960 Curtis Cup team and picked up where she left off, playing in the senior's amateur circuit.

Several years later, a fortuitous conversation with Barry University head coach Roger White on a local course prompted the 61-year old to explore her eligibility options. Upon discovering she had eligibility, Street moved to join the Buccaneer women's golf program. Now, with only one year left to play, Judy is now majoring in Liberal Studies and playing with a young Barry team. She is also the oldest NCAA athlete on record.

## Student-Athlete Advisory Committee Sponsors Clinics

### ATHLETIC WALL OF HONOR 2002 Induction Friday, Feb. 8, 2002

MIAMI SHORES, Fla.—The Buccaneers induct six new members of the Athletic Wall of Honor on Friday February 8.

The Wall, established in 1996 and sponsored by Miami Jai-Alai, honors athletic and academic excellence among Barry's student athletes and throughout the department.

The six inductees of the bi-annual class are **Jean M. Wilkowski**, **Bruce Barclay**, **Jennifer Boyd-Pugh**, **Iphton Louis**, **Janina Morusewicz** and **Cindy Yuan**.

**Wilkowski** spent her professional career in diplomatic service to the United States on four different continents. She became this country's first woman ambassador to Africa, holding that post in Zambia from 1972-1976.

**Barclay** coached the baseball team from its founding in 1984 to 1993. When he arrived on campus in 1985, he literally had no place to play. Through his efforts and the contributions of Abe Feinbloom, the University converted a softball field into Feinbloom Field, which continues to serve as home to the Buccaneer baseball program to this day.

**Boyd-Pugh** raised her batting average, slugging percentage and on-base percentage every year, culminating in an All-American season in 1994 when she helped lead the Buccaneers to their first ever South Region Championship and berth in the NCAA Division II National Championship Tournament.

**Louis** was one of the leaders of the Buccaneers' famed "Super Six" which carried Barry University to a pair of Sunshine State Conference men's tennis titles and two national runner up finishes in four years.

**Morusiewicz** joins sister Marya who was a member of the Class of 1998 as the first set of siblings selected to the Wall. Like her sister, Janina was a two-time Barry University Female Scholar Athlete of the Year and the NCAA Woman of the Year for the state of Florida.

**Yuan** is one of the most decorated volleyball players in Barry history. One of just a handful of three-time All-Americans, she is the only three-time conference MVP in Barry athletic history.

### 2001-02 SAAC Officers

**Brooke Pinney**  
President

**Greg Jehs**  
Vice-President

**Nora Conroy**  
Secretary-Treasurer

The Student Athlete Advisory Committee's purpose is to give the student-athletes a voice to evaluate the athletic program and make recommendations for the improvement of the athletic, academic and social experiences. The committee also encourages unity and camaraderie between teams and among all athletes in the program, promotes athletics at Barry, in the Sunshine State Conference and in the nation and actively encourages more involvement of the student-athlete in campus and community projects.

The president of the committee for 2001-02 was **Brooke Pinney** of the national champion volleyball team. **Greg Jehs**, men's soccer, served as vice-president and **Nora Conroy**, softball, was the secretary-treasurer.

The group sponsored two events in its first year. On February 6, they held a luncheon in conjunction with National Girls & Women in Sport Week. Olympic medalist Noemi Lung Zaharia and current Buccaneer Judy Street spoke to almost 100 women on Title IX and the opportunities for women in sports.

On April 6, the Bucs sponsored a Kids Day in Sport clinic with instructional stations available free to area youth. The clinic was held in conjunction with National Student-Athlete Day and the Buccaneer Athletic Department recognized its many outstanding students and athletes.

New officers for 2002-03 are president **Greg Jehs** (men's soccer), vice-president **Tammie Thornton** (women's soccer) and secretary-treasurer **Nora Conroy** (softball).

The SAAC plans many events for the upcoming year to enrich the lives of the student-athletes at Barry and help them make a positive impact in the community.

### 2001-02 SAAC - Back row (L-R)

### Bucs To Host 2003 Sunshine State Conference Tennis and Rowing Championships

The Buccaneers, who have hosted many national and regional championships, were selected as the host institution for the 2003 Sunshine State Conference men's and women's tennis and rowing championships.

The tennis championship is slated for April 26-28 at a site to be determined, but may be at the Tennis Center at Crandon Park, the home of the Ericsson Open.

The rowing championship is scheduled for May 4 and may shift to south Florida for the first time ever if the course is ready in time.

### Sunshine State Conference Hoops Tournaments Coming to the Health & Sports Center

The rotation for the Sunshine State Conference basketball tournaments has the Buccaneers as the host for the 2005 championship.

The championship goes back to Lakeland in 2003, being hosted on campus at Florida Southern. In 2004, Rollins College's new Alford Center will play host to the tournament.

The Buccaneers will bring the tournament to South Florida for the first time ever in 2005. The Bucs new student Center and renovations to the Health & Sport Center promise to make this championship memorable.

## 2001-02 BUCCANEER TEAM HIGHLIGHTS

### BASEBALL

**25-24 , 6-15 SSC**

- ★ Joey Apotheker school-record .417 average, drafted 33<sup>RD</sup> round by Marlins, All-SSC

## Buccaneers Excel in Classroom

MIAMI SHORES, Fla. — How do these student-athletes juggle team practices, competitive events, travel, academic classes, volunteer work, and a social life all at the same time? Just ask these stellar student-athletes who did all that and posted a **4.0 GPA** this past year:

### Fall 2001

- Victoria Courmes, Political Science
- Heather Hodges, Pre-Veterinary Medicine
- Maria Rodriguez, Art
- KD Smith, Elementary Education
- Kristina Socarras, Secondary Education
- Rachel Theisen, Psychology
- Gizella Turbok, Psychology

### Spring 2002

- JoAnna Ball, Athletic Training
- Melissa Behrle, Theology
- Victoria Courmes, Political Science
- Wes Lindberg, Sport Management
- Nicole Ruiz, Undeclared
- Amy Tewis, Undeclared
- Rachel Theisen, Psychology
- Aneta Wisniewska, International Relations

Victoria Courmes

Rachel Theisen

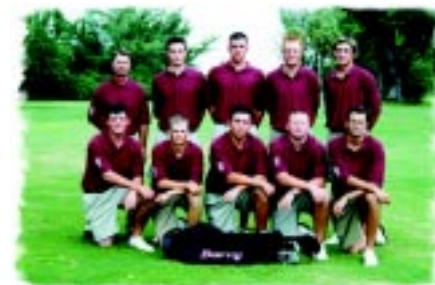

Victoria Courmes (women's tennis) and Rachel Theisen (rowing) were the only two student-athletes to post perfect 4.0 GPAs in both the fall and spring terms.

In the fall, the Buccaneer women's golf team started an amazing run by leading all teams with a 3.577 GPA. Men's tennis was the highest ranked men's team with a 2.815 term GPA.

In the spring, the women's golf team also posted the women's highest team GPA at 3.510, while the men's golf team had the highest men's team GPA at 3.045.

Women's Golf Highest Team GPA Fall (3.577) and Spring (3.510)

Men's Golf - Spring 3.045 Term GPA

Men's Tennis - Fall 2.815 Term GPA

The screenshot shows the Barry University Intercollegiate Athletics website in a Microsoft Internet Explorer browser window. The address bar shows <http://www.GoBarryBucs.com>. The website features a navigation menu with links for Athletics Home, News & Highlights, Teams, Schedules, Tradition, and General Information. A sidebar on the left contains links for Athletic Home, Staff Directory, Sports Information, Game Results, Map & Directions, Rosters, Sports Archives, and Video Highlights. The main content area displays a large 'BARRY UNIVERSITY' logo, a 'Sports News' section with several headlines, and a 'Message Board' section. A 'Rotating Scoreboard' is visible in the top right, showing 'W Soccer' with a 3:00 pm game time. A 'Live Stats' section is also present. At the bottom, contact information for Barry University Athletics is provided, including the address, phone numbers, and email.

Callouts from red starburst shapes point to the following features:

- Athlete Profiles**: Points to the 'Rosters' link in the sidebar.
- Searchable Database of Stories**: Points to the 'Sports Archives' link in the sidebar.
- Rotating Scoreboard**: Points to the 'W Soccer' scoreboard.
- Message Boards**: Points to the 'Message Board' section.
- Live Stats**: Points to the 'Live Stats' link in the sidebar.
- Prospects and Parents Info**: Points to the 'Prospects & Parents' link in the sidebar.

## Bucs Unveil New Web Site and Address

The Buccaneers have a new home on the world-wide web as the department's web site – **GoBarryBucs.com** – was unveiled this past year.

The site, which was under development for over a year, is one of the most technologically advanced and aesthetically pleasing addresses in NCAA Division II.

The site features a rotating scoreboard; a searchable database for

stories; player profiles for every varsity athlete; live stats for selected events; message boards where you can let your favorite Buccaneers know you are behind them; information designed to aid recruits and other prospective student-athletes and their parents; and statistics, records and other historical information on the storied past of Buccaneer athletics.

The story database is customized so that each sport's home page contains the

latest news from that sport allowing fans and friends to quickly access the most recent information on their favorite team.

Each sport also has the most updated statistics, rosters and schedules easily accessible.

Those without access to the web can still keep up-to-date with the Buccaneers through the **Buccaneer Sports Hotline**. Just dial **(305) 899-3571** to hear the latest results and upcoming events.
