

BARRY UNIVERSITY INSURANCE WAIVER FOR INTERNATIONAL STUDENTS**International Student Health Insurance Compliance Form**

All students residing in campus housing and all international students attending Barry University on an F-1 or J-1 visa are required to provide proof of adequate health. Proof of insurance and a completed insurance waiver must be received in Student Health Center (SHC) upon entering the University and, on an annual basis thereafter prior to the first day of fall classes or, the fee for the Barry sponsored student insurance plan may be assessed to the student's account.

This form has been designed to assist international students in complying with the insurance regulations at Barry University which requires all international students to have adequate health insurance when attending the university. If you have already purchased an insurance policy, you must provide proof that your policy includes benefits at least equal to those required by Barry University.

INSTRUCTIONS TO STUDENT:

Ask your insurance company to complete this form and mail it to:

Barry University
Student Health Center, Landon 104
11300 NE 2nd Avenue
Miami Shores, Fl. 33181

OR

Fax completed form to:

(305) 899-3751

Scan and email to:

healthservices@mail.barry.edu

When completing this form, the insurance company must verify that the basic benefits listed below are included in your health insurance policy. If any of these benefits are not covered, we cannot waive the international health insurance charge.

The deadline for the waiver request for the Spring term is: January 27, 2010

Waivers will only be granted if you meet the following criteria:

- If you are covered by an approved sponsorship agency/embassy.
- If your or your Spouse's Employer's medical insurance includes the basic benefits (see attached International Students Basic Benefits Form).

- ____7. Maternity benefits; treated as any other basic benefits.
- ____8. Prescription medications coverage at least \$1200 per policy year
- ____9. Must cover treatment for HIV/AIDS and sexually transmitted diseases
- ____10. Must include coverage for needle sticks and face splash for Health Major Students.
- ____11. Repatriation: \$10,000 (coverage to return remains to home country)
- ____12. Medical Evacuation; \$25,000 (if directed by the physician in charge to be medically necessary, the expenses of the patient to be transported back to his home country by and accompanied by an escort)
- ____13. Exclusion for pre-existing conditions: should not exceed 6 consecutive months
- ____14. Claims agent in the United States
- ____15. Claims payable in United States dollars
- ____16. This insurance company is licensed to do business in the State of Florida

The insurance policy shall not exclude any activities inherent to the student's academic career.

TO THE INSURANCE COMPANY REPRESENTATIVE: Please read and sign the following:
(If your plan is sponsored by your or your spouse's employer, the employer insurance representative may complete this form.)

I have verified the information on this form and completed each item above. I am asserting that this company will pay their claims in U.S. funds. If the above noted policy is terminated, I will notify Barry University immediately. I certify that the coverage indicated is now in force.
