### **Abstract**

#### **“Walking with Two Feet of Love: What Does Social Justice Look Like on a Catholic Campus?”**

The Hebrew prophets call on us to “do justice, love mercy, and walk humbly” (Micah 6:8). Some argue that it was the Hebrew tradition on justice that sparked the ministry of Jesus. What does it mean to ‘do justice?’ What is justice? What is social justice? What is the place of ‘social justice’ on a college campus? How does ‘doing justice’ look different on a Catholic campus? This presentation will explore the concept of social justice and invite participants to consider possible approaches for ‘doing justice’ as a Catholic campus community.
