LECTURERS

John S. Steinberg, DPM

Dr. Steinberg is a full-time Faculty and Assistant Professor at the Department of Plastic Surgery for Georgetown, University Hospital in Washington, DC. Dr. Steinberg graduated from Barry University.

Louis J. Decaro, DPM

Dr. Decaro is the Director of Medical Relations of Nolaro24, LLC. Dr. Decaro is in private practice throughout the Pioneer Valley of Massachusetts. Specializing in biomechanics and pediatrics, he conducts an Adult Gait Analysis Clinic and a Podiatric Clinic at a local hospital in Northampton, MA.

James Losito, DPM

Dr. Losito is currently a Professor at Barry University School of Podiatric Medicine. He serves as attending Podiatrist to the Barry University athletic program, the University of Miami men's basketball team, and the Miami Heat. Dr. Losito is also a Past President of the American Academy of Podiatric Sports Medicine.

Bradley Bakotic, DPM, DO

Dr. Bradley Bakotic is a Podiatric Dermatopathologist and a Professor at Barry University. Dr. Bakotic now resides in Georgia and works with podiatrists throughout the country. He also serves on the Editorial Boards of the Journal of Foot and Ankle Surgery, Podiatry Online and Dermatopathology Practical and Conceptual.

Cynthia Marzouka-Losito, DPM

Dr. Marzouka-Losito attained her Doctorate in Podiatric Medicine at Barry University. Her residency was completed at the Cedars Columbia Medical Center in Miami, Florida with an emphasis in Biomechanics and Sports Medicine. Currently, she serves on the American Board of Podiatric Orthopedic and Podiatric Prima Medicine and is the Staff Director at PROTECH Sports Medicine.

PROGRAM DESCRIPTION

A unique approach to continuing medical education is used, as the private practitioner is able to interact with other practitioners, current residents, and faculty members of the Barry University School of Podiatric Medicine. The presentations will be interesting as well as educational.

PROGRAM OBJECTIVES

- 1) To inform on current developments regarding diabetic limb salvage.
- 2) To provide a better understanding of how the biomechanical foot functions and identify potential problems with this type of foot.
- 3) Provide information to better diagnose and manage exercise induced leg pain including compartment syndrome and shin splints.
- 4) To provide information, improve diagnosis techniques and identify traits of Amelanotic Melanoma.
- 5) To provide information on current techniques and developments in cosmetic procedures and surgeries.

*Program objectives are subject to change.

ACCREDITATION

Barry University School of Podiatric Medicine is approved by the Council on Podiatric Medical Education to offer recognized continuing podiatric medical education programs. This course is approved for 5.75 Continuing Medical Education Contact hours.

You will receive by mail a Certificate of Attendance as well as a transcript from Barry University for each seminar you attend approximately two weeks following the event.
