PLEASE NOTE: Due to CAAHEP policy change, initial accreditation no longer expires. The initial accreditation for this program remains in place until another status is granted, at which time the status for the program will be updated on the CAAHEP website.

If you have any concerns about the accreditation of the program, don't hesitate to contact our office at 727-210-2350.

Corrected Letter

Sister Linda Bevilacqua, OP, PhD
President
Barry University
11300 NE 2nd Ave
Miami Shores, FL 33161

Dear Sr. Bevilacqua:

The Commission on Accreditation of Allied Health Education Programs (CAAHEP) previously notified the institution of its vote on **January 19, 2017** to award **initial accreditation** to the Exercise Physiology - Applied program at Barry University, Miami Shores, FL. The program was evaluated using the Standards and Guidelines for the accreditation of Educational Programs in Exercise Science and the award should have been made to the Exercise Science program (known as Exercise Physiology at the institution). We apologize for the error.

The initial accreditation status of the Exercise Science program is scheduled to expire on **January 31, 2022**.

The CoAES will regularly monitor the program's compliance with the outcomes assessment thresholds through the program's Annual Report as well as other documentation that may be requested (Standard IV.B.).

The accreditation standards are established by CAAHEP, CoAES, American College of Sports Medicine, American Council on Exercise, American Kinesiotherapy Association, Cooper Institute, National Academy of Sports Medicine, and National Council on Strength & Fitness.

The commission commends you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in program accreditation.

Sincerely,

A handwritten signature in black ink that reads "Gregory J. Ferenczak". The signature is written in a cursive, flowing style.

Gregory Ferenczak, EdD, RT(R)(QM)
President
