

# NEW STUDENT CHECKLIST

**Congratulations on becoming a Barry Buccaneer! All undergraduate freshmen and transfer students must complete the New Student Checklist prior to attending New Student Orientation.**

**1**

**Academic Advising and Registration should be your first priority**

- Meet with an advisor, schedule placement testing, and register for classes

**2**

**All new students are required to complete each of the following:**

- Finalize your financial aid and payment plan
- Submit your immunization records online
- Request your Student ID online

**3**

**Students must complete these if any of the categories below are applicable:**

- Want to live on campus? Apply for housing (move-in is January 6th)
- Already have health insurance? Waive the university health coverage fee
- Plan to have a car on campus? Request a free parking permit
- Are you a veteran? Schedule an appointment with a Certifying Official

**4**

**RSVP for New Student Orientation**

- Do you have a documented disability? Register with the Office of Accessibility Services
- Are you an international student? Check-in with International Student Services
- Need to submit your official transcripts? Email your final application documents
- Mark your calendar! Orientation takes place on **January 7th from 8:30am-6pm**
