

Ready, Set, Go!

New Student Orientation 2025

Barry University

Mission Statement

Barry University is a Catholic institution of higher education founded in 1940 by the Adrian Dominican Sisters. Grounded in the liberal arts tradition, Barry University is a scholarly community committed to the highest academic standards in undergraduate, graduate and professional education.

In the Catholic intellectual tradition, integration of study, reflection and action inform the intellectual life. Faithful to this tradition, a Barry education and university experience foster individual and communal transformation where learning leads to knowledge and truth, reflection leads to informed action, and a commitment to social justice leads to collaborative service.

Barry University provides opportunities for affirming our Catholic identity, Dominican heritage, and collegiate traditions. Catholic beliefs and values are enriched by ecumenical and interfaith dialogue. Through worship and ritual, we celebrate our religious identity while remaining a University community where all are welcome.

Core Commitments

Catholic intellectual and religious traditions guide us in the fulfillment of our mission. The mission and values of the Adrian Dominican Sisters serve as the inspiration for our core commitments.

Knowledge and Truth

Barry promotes and supports the intellectual life, emphasizing life-long learning, growth and development. The University pursues scholarly and critical analysis of fundamental questions of the human experience. In the pursuit of truth, the University advances development of solutions that promote the common good and a more humane and just society.

Inclusive Community

Barry is a global, inclusive community characterized by interdependence, dignity and equality, compassion and respect for self and others. Embracing a global world view, the University nurtures and values cultural, social and intellectual diversity, and welcomes faculty, staff, and students of all faith traditions.

Social Justice

Barry expects all members of our community to accept social responsibility to foster peace and nonviolence, to strive for equality, to recognize the sacredness of Earth, and to engage in meaningful efforts toward social change. The University promotes social justice through teaching, research and service.

Collaborative Service

Barry is committed to serving local and global communities through collaborative and mutually productive partnerships. The University accepts responsibility to engage with communities to pursue systemic, self-sustaining solutions to human, social, economic and environmental problems.

Approved by the President and the Executive Committee of the Administration on May 15, 2008; approved by the Board of Trustees on May 30, 2008; submitted to the General Council of the Adrian Dominican Sisters for final approval; Council approval received via letter from Sister Rosa Monique Pena, OP, on June 20, 2008.

Welcome to Barry

Paula R. Dias, Ed.D
Associate Vice President

Let me be the first to welcome you to Barry University and your New Student Orientation. At Barry, our top priority is to provide you with a quality education in an environment that supports your growth as a student and cultivates your aspirations as a future professional. We believe that learning leads to knowledge and truth, reflection leads to informed action, and a commitment to social justice leads to collaborative service. The Barry University community is excited about your decision to become a Barry Buccaneer and encourage you to take advantage of the many opportunities you will be presented with over the next few years, including a variety of co-curricular activities and cultural programs to enhance your educational experience.

While attending Orientation, you will receive valuable information about how to make the most of your time at Barry. Whether you live on campus or commute, it is important to get connected and find your place on campus. Barry University provides a range of resources, services, and student activities to assist with your transition to college. This network of support is made up of faculty, staff, and student leaders that want to ensure that you are prepared for success both inside and outside the classroom. Ask your O-Team Orientation Leaders for more information about campus life.

Once again, we welcome you to the Barry University family and hope you make the most of your Orientation experience by attending sessions to learn more about what the university has to offer.

Sincerely,

Paula Dias
