Notes: Values are displayed for populations of 10 or more.

Values for populations less than 10, but greater than 0, are suppressed with (****) for numeric values and (***%) for percent values.

Values equal to 0 are suppressed with (-) for numeric values, (\$--,---) for currency values and (---%) for percent values.

Graduates represent the population with valid Social Security numbers.

Employment outcomes are based on Q4 2023 (October to December) employment and wage data.

Full-Time Employed is defined as earning at least minimum wage for 13 weeks (\$2,678).

Average Full-Time Annual Wage is average of the population's Q4 2023 earnings multiplied by four to estimate annual earnings.

Continuing education outcomes are based on enrollment data for the Fall semester of 2023 and preliminary Winter/Spring semester of 2024.

Students may be in multiple programs, therefore the details may exceed the total unduplicated count.
