

Dear High School Educator:

Barry University's Department of Mathematics and Computer Science would like to invite you and your school's team to our 7<sup>th</sup> Annual Mathematics Olympiad. Your team can compete against tri-county area schools in a battle of the minds on Thursday, **March 31, 2022**.

The day will begin with registration from 8:00-8:50 AM. The first competition will begin at 9:00 AM. There will be a short awards presentation from 1:30-2:00 PM. All activities will be held at **Andreas Hall Room 112** on Barry's main Miami Shores campus.

There will be one team per school with a maximum of **six** members each. The Olympiad will include an individual written test and team competition. Students will be allowed to use calculators for the team competition but not the individual tests. The format of the individual exam will include 10 problems – eight multiple choice questions and two short answer questions.

Registration forms and some general rules are attached, as is a photo release form that students and their parents must sign before attending because a photographer will be present. Completed forms must be received with a \$30 team fee by Friday March 17, 2021. We can receive the forms by email with a check arriving soon after.

We will send a final schedule and map after you register. Lunch will be provided.

For further information visit [barry.edu/math-olympiad](http://barry.edu/math-olympiad). If you have any questions, please feel free to contact me at (305) 899-3638 or [szivanovic@barry.edu](mailto:szivanovic@barry.edu).

Sincerely,

***Sanja Zivanovic***

Sanja Zivanovic, Ph.D.
